

## Memorial Reception Team 2021-2022 Annual Report

The Memorial Reception Team is composed of volunteers who help UAAA family members and guests celebrate the life of a deceased loved one. We hosted four such events this year.

Before a memorial service and reception, a team coordinator helps the family plan the reception. A coordinator organizes reception team volunteers and memorial reception duties.

On the day of the reception, team members prepare and decorate the Social Hall, help family members set up personal items, welcome guests, and arrange and serve refreshments. After the reception, the team packs up leftovers and personal items for the family and cleans the Social Hall and kitchen.

Reception Team members are Pat Appleberry, Sara Matthews, J J Lee, Ilene Beninson, Bobbi Coluni, Julie Dybdahl, Alison Paine, Mary Palnau, Tricia Smith, Elinore Sommerfeld, Erik Stahlhandske, Michele Zmich, Sharon St. Mary, Becky Swank, and Julie Tanguay.

Liz Hartley, Judi Lintott, Richard Lintott, and Betsy Price are team coordinators.
