## Worship

Each week that we worship together, we gain new insights and wisdom on how to be a people of a prophetic, transformational, justice-seeking faith.

In January we will explore the theme of Intention as we begin a new calendar year.

On January 9 we will share the collection

to benefit Interfaith Council for Peace and Justice

Their Mission: Interfaith Council for Peace and Justice centers racial and economic justice as we address the root causes of violence from oppression, poverty, environmental devastation, patriarchy, and war. We wage love and practice nonviolence in all its forms through education, community organizing, advocacy, and direct action. We unite across our differences and empower leadership in people to create the change we need for a more peaceful and just world.
